On December 15th, 2020, Kochi Consultation Center for Foreign Residents (Kocoforre) became a **Designated Consultation Center** for Houterasu. This means that you can **receive legal advice** from Houterasu lawyers, here at Kocoforre. We also offer interpretation services, so consultations can be held in your native language.

With legal consultations available at Kocoforre, you can be assured that...

① We are here for you!

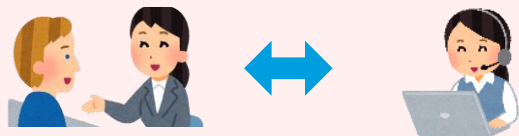

A staff member of Kocoforre will accompany you during the consultation*, who can continue to **follow up** with you about your case, and can also advise you on non-legal matters.

*This is done with the consent of the consultee.

② Language won't be an issue!

Kocoforre provides on-site counsellors and **interpretation staff***, in-person volunteer interpreters, as well as a three-way telephone interpretation service.**

*Kocoforre has English-speaking staff. Chinese, Vietnamese and Indonesian interpreters are also available.

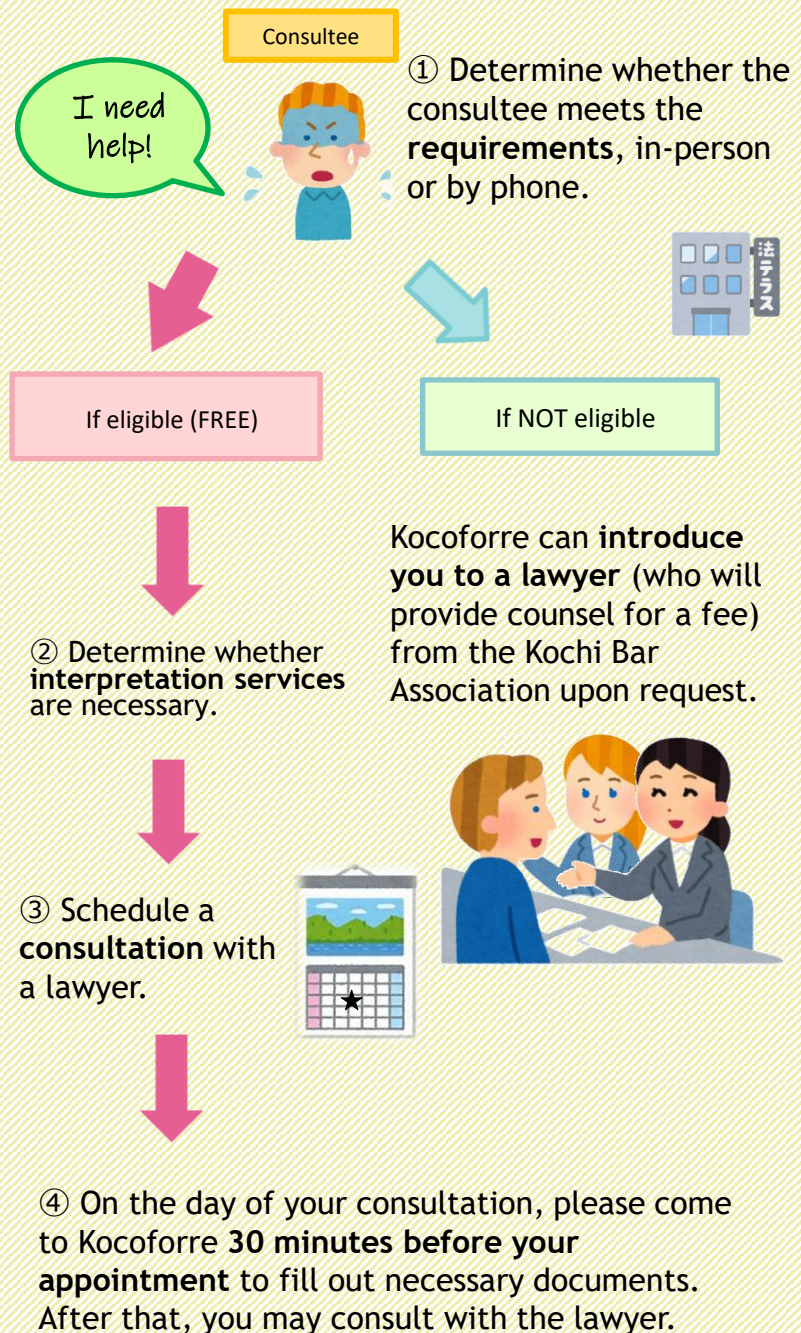

**21 languages available (as of Jan 2025)

Details on Interpreter Availability are posted on our Instagram page
